BUILDING DREAM TEAMS

ABOUT US

At Morpheus, we understand that to achieve the big dream, you first need a dream team. Keeping this in mind, we use our expertise to identify the skills sought by employers across industry verticals.

With more than 18 branches and around 150+ consultants empanelled in our recruiting team in India and the Middle East, we cover close to all industry sectors.

Along with a reputation of consistently delivering results, having a clear understanding of the client requirement and high standards of quality, we also service our clients with a host of HR solutions encompassing recruitment, corporate training, contractual or deputation services and compensation. Also, our MHC Academy partners with client organisations in building enduring relationships.

PHILOSOPHY

We believe every human is a unique asset, and can be the right fit somewhere. So what we do is identify the right place for these assets so they can realise their true potential and bring the best value for the organisation.

OUR DREAM

Our dream is to build dream teams together.

**“WE ARE
MORPHEUS.
WE LOVE
DREAMERS.”**

EFFECTIVE RESULTS

We truly value your time. And hence meeting deadlines is our topmost priority while strategising for a placement. Our close hour-to-hour monitoring systems help keep up this commitment.

A sound timeline is nothing without a sound technology at the backbone of the business process. We ensure that our technical backup matches the best of the industry. Our recruiters are amongst the sharpest minds in the industry, armed for every challenge.

'Harmonised workforce' and 'mutual help' best define the work culture at Morpheus. We like to channel this culture on to our clients and in the way we approach business with them. Collaboration is the key factor behind our long list of satisfied clients.

If results are anything but 100%, they are not welcome. We strive to complete every task to the fullest of our potential, as it is the result that matters most in the end. We take pride in effectively and efficiently generating manpower and maintaining processes for our clients.

WHY WE SUCCEED

- Limited clients and deep penetration across all levels with respective account managers for individual attention.
- Well-tested and researched processes, with customised processes as per client requirements.
- Well-trained with a fully-equipped staff.
- Partnering with clients in sharing responsibility, with a guaranteed share-of-business and close involvement.
- Domain expertise in high-skill verticals provided via specialised recruiters.
